2 hour Thursday
sessions. There
is a choice of a
morning session
8am-10am and an
afternoon session
3.30pm-5.30pm

Target audience:

Primary & Secondary Maths Deliverers

Mastery mathematics for SEND

The course will enhance the understanding of the different areas within SEND and the pedagogy that is associated with working with these students. Maths deliverers will gain the necessary skills to support SEND pupils within a mastery context; the use of concrete-pictorial-abstract will be explored to ensure that all pupils can make progress within maths. Maths deliverers signing up to this course will be expected to attend all five sessions. The Developing working partnerships for SEND from the NCETM funds this course and it will be free to all participants.

To sign up to this course, please email: LNeedham@newbridgegroup.org

Dates: 11th October, 15th November, 17th January, 28th February, 4th April
